Dear Tracy,

We are pleased to inform you that the Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board has reviewed your request for the course below. This letter will serve as notification that the Board has approved the courses listed below for the dates and locations requested.

Approved under the category of Current Practices related to the fitting of Hearing Aids:

- Why Verify the Performance of Hearing Aids
- Hearing Loss and Dementia: The Evidence and the Role of Hearing Health Care Professionals in Identification and Management
- Noise Reduction: Issues and Outcomes
- Common Workplace Safety Issues, Infection Control, OSHA Compliance and Prevention of Medical Errors
- Application of Clinical Masking
- Hearing Aid Dispensing Best Practices
- Walk, Learn & Earn Continuing Education in the Expo
- Chapter Leadership Conference
- Licensing Board Conference
- Elevate Client Success with Telecoils
- Tympanometry: Overview and Applications
- Innovation Station: Product Presentations
- The Legal Ramifications of Insurance Billing

Please be advised that product or device specific courses offered by manufacturers or courses that deal with bottom line or profit, are not approved for dispensing audiologists. Hearing aid dispensers will be subject to the same provision, when "pending" regulation changes are implemented.

The Board may appoint a program monitor to attend and evaluate the approved course(s). The registration and/or program fees are to be waived for the monitor if he/she is not receiving continuing education hours. Please note that any changes in the approved course program must be submitted to this office in writing for review prior to the date of the course. For additional information on Continuing Education, you can refer to the Board's Rules and Regulations Section 1399.141 or the guidelines on the Board's website at www.speechandhearing.ca.gov.

Thank you for your interest in our Continuing Education Program.

Sincerely,

Lisa Snelling
